Information Disclosure Statement

Commissioner for Patents
P. O. Box 1450
Alexandria, VA 22313-1450

Sir:

This is an Information Disclosure Statement submitted under 37 C.F.R. § 1.97 within the time specified under 37 C.F.R. § 1.97(b).

In order to comply with applicant's duty of disclosure under 37 C.F.R. § 1.56, the U.S. Patent and Trademark Office is notified of the documents which are listed on the attached Form PTO-1449 and which the Examiner may deem relevant to patentability of the claims of the above-identified application. One copy of each of the listed documents is submitted herewith.

Attention is drawn to citation No. 9 (JP 2-31113) and citation No. 5 (U.S. Patent 5,392,117) which were cited in the Notification of Reasons for Refusal to the Japanese priority application for above-identified application. Japanese Patent 2-31113 is substantially identical with U.S. Patent 5,032,026. The '117 patent was cited in the patent specification of the above-identified application. Notwithstanding the preliminary rejection, the Japanese priority application was allowed over the references and a Japanese patent has issued.

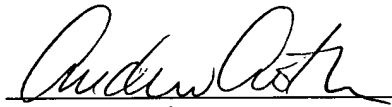

The present Information Disclosure Statement is being filed before the mailing date of the first Office Action on the merits, and therefore no Statement Under 37 C.F.R. § 1.97(e) or fee under 37 C.F.R. § 1.17(p) is required.

In view of the above, no further translation or statement of relevance is required, and as all requirements of 37 C.F.R. § 1.97 and all official guidelines pertaining to Information Disclosure Statements have been complied with, it is therefore respectfully requested that the Examiner consider the documents and make them of record.

Please charge any necessary fee or credit any overpayment in connection with this Information Disclosure Statement to Deposit Account No. 22-0261.

Date: August 26, 2004

Respectfully submitted,
